Dear Mrs. Butson, Mrs. Reynolds, facility and students,

On behalf of the Colchester Senior Center and the people whom we serve, I want to thank you for all of your efforts in the Holiday Box Project this season. I was overwhelmed by all your generosity and kindness and I know the 27 seniors who received the boxes that you so thoughtfully put together are deeply grateful to have you remember them this holiday season.

It is an important lesson to remember those who are lonely and less fortunate, especially during the holidays. I am so proud to know that we have worked with you on the Holiday Box Project for over 30 years. It must make you feel very proud to know all of the lives that have been touched by your thoughtfulness. I hope this is a tradition that we can continue for many years to come.

It's no secret that the world had been deeply impacted by the global pandemic of COVID, but perhaps no one more than senior citizens. We are so grateful for your intention to brighten the lives of some seniors here in your community. I hope that you all enjoyed a happy holiday season and wish you happiness and good health in 2022.

Gratefully,

Patty Watts
